Dear Parents/Guardians,

Student Health Service “Online Enrolment Programme 2025/2026”

The objectives of the Student Health Service are to safeguard both physical and psychological health of students through health promotion and disease prevention services. Our scope of service covers health assessment which includes physical examination, growth and puberty assessment when necessary, individual health counselling and health education. Student Health Service is free of charge to students who are “eligible persons” (Please refer to “Notes for Parents/Guardians” for eligibility). You may refer to our webpage (www.shs.gov.hk/healthprog.pdf) for details of our health programmes.

We are now conducting enrolment exercise for the 2025/2026 school year. Annual health assessment is provided for all primary and secondary day school students. The service period spans from November 2025 to October 2026. We would like to invite your child to participate in our service.

Your school will distribute the following documents to you:

1. Designated access link / QR code,
2. “Notes for Parents/Guardians” (Appendix A2) and
3. Registration Guide (For Parent and Secondary School Students)

Please online submit the completed form from 8 September to 21 September 2025 and refer to the Registration Guide (For Parent and Secondary School Students) (<https://youtu.be/LdWd7KBTSfU>) for details of the online enrolment procedures.

Enrolled students will be given an annual appointment at a designated Student Health Service Centre. The Centre designated for your child is Centre Name at Centre Address. An appointment slip will be sent to you through the school approximately one month before the appointment date.

Please bring along your child’s identity document for checking while attending our centre. Service may not be provided if there is no identity document on the date of appointment and rescheduling of appointment is required. If free bus service is provided by us, please let your child bring the identity document on the date of appointment.

For further details of the Student Health Service, you may browse the Student Health Service website (www.studenthealth.gov.hk).

For enquiries, please call Centre Name at Centre Tel.

Yours faithfully,
